RELEASE - ALPHA V.001	2
<i>ROLLOUT</i>	2

Release - Alpha v.001

ROLLOUT

Code will be deployed to Production server (<http://134.67.216.236>) on Friday 12/7/2018. During deployment the site will display a 'Routine Maintenance' page to prevent users from interacting with the application during the transition. Deployment will be completed on or before Monday 12/10/2018. The site will be available for use on or before Tuesday 12/11/2018, 12 AM EST.
